Enclosed, is an untitled memoir by [redacted]. The Central Intelligence Agency Prepublication Review Board (PRB) is mailing you a copy for the Federal Bureau of Investigation prepublication review for the following reasons: PRB is constrained by the obligation to respond to authors within 30 days¹; PRB encountered significant electronic submission problems when trying to send this manuscript electronically to FBI and thus far have been unable to verify receipt; and the author has a separate prepublication review obligation with the FBI.

To expedite the processing of this manuscript, PRB will inform the author that the CIA has forwarded a copy of her manuscript to the FBI for review and will provide her with your contact information. Further, we will advise her that, to ensure receipt, she should submit separately to the FBI for prepublication review. In any event, she must wait for FBI's separate review response. PRB will copy FBI on any unclassified email communications with the author using FBI's unclassified email address: prepub@ic.fbi.gov (if there is a better email address, please advise). In addition, PRB will provide FBI with a copy of any approval or objection letters sent to the author and we request that the FBI do the same to ensure both organizations understand and where the review stands.

If you have any questions, please contact me at [redacted]

¹ U.S. federal court decisions obligate the pre-publication review process to be conducted in a timely manner (e.g., in *U.S. v. Marchetti* the court required the CIA to respond to the author within 30 days of receiving the submission).
